OYES!

What is OYES?

We are the Oregon division of the Pacific International Trapshooting Association's Youth Shooting Program open to all Oregon youth up to age 18 (or older if you're enrolled in secondary education).

How do I join?

Membership is free when you're a member of the PITA!

What are the benefits?

Besides making new friends, learning to love the sport of trapshooting, and having a ton of fun?

- Each participant in the OYES program is eligible to shoot the Championship Singles (200 targets), at the PITA Oregon State Shoot, at no cost.
- A silver medallion will be awarded to the top five (5) novice and top five (5) experienced contestants in the Oregon State Championship Singles combined 200 targets.
- Each participant is eligible to shoot the Championship Singles (200 targets), at the PITA Grand Pacific, at no cost. Participation in this event makes you eligible for prizes and scholarships worth up to \$ 300 toward your college education.
- The OYES Committee will help structure teams and assist youth shooters representing Oregon during the Grand Pacific tournament.
- Members of the OYES program are eligible for financial assistance for instruction in shotgun shooting sports. Application for assistance is made through any OYES committee member.

Sound interesting? If so, contact a member of the OYES committee to find out more!

Our Oregon Senior Experienced Team took 2nd place at the 2006 Grand Pacific. Pictured from left to right are: Cody Noble, Clayton Hagen, Travis Carter, Jeff Bounds, and Kyle Beals.
